New Website - (www.RMRoberts.com)

Our website has been updated with a new look, and improved organization, to make it easier for you to navigate. The site has been divided into three major sections, and each section corresponds to the textbooks authored by Richard M. Roberts. They are *Computer Service and Repair*, *Electricity and Electronics*, and *Networking Fundamentals.*

We hope you will be able to locate the information you need is a faster, easy to use manner. We hope you like it. Please send us feedback and be sure to point out corrections needed, as you know more eyes are better than few.

Two New Pop Quizzes

We have included links to two new 20 question each Pop Quizzes by Richard M. Roberts. These two new quizzes are for the 220-620, IT Tech from CompTIA.

Enjoy!

Ethereal is now known as WireShark.

Wireshark is a fantastic network protocol analyzer and its absolutely FREE. My favorite price! Wireshark was originally known as Ethereal and was renamed in May or 2006.

Here is a brief article on Wireshark. [Link here for article in Downloadable format.](#) Wireshark is available for download and is free to use. They also have a large collection of frame catures available that you can use to study protocol construction. Just click on the link below and you will be directed to the Wireshark home page. Download a copy of Wireshark and be sure to download a copy of the extensive documentation. Look for lab activities from us designed for Wireshark in the near future. **http://www.wireshark.org**

New A+ Tests from CompTIA

New A+ 220-701 and 220-702 exams. CompTIA has introduced a New A+ Certification test for late this year. You can download a draft copy of the exam objectives at [www.CompTIA.org](#). Check out the article on the New A+ exam 220-701 and 220-702.

Aero Feature on CompTIA

Aero feature is a new test objective in the new A+ certification exam. See our new article on what to know about Vista Aero for the CompTIA A+ 220-701 and 220-702 certification exams. . [Link here for article in Downloadable format.](#)
